Dear President John Smith:

Re: Employment Opportunities for a Mining Engineer

I am extremely interested in mining opportunities within your organization, either now or in the future. My résumé is enclosed for your review, in addition to a QR Code link to an online view of my portfolio that includes some of my past AutoCad work.

I am a focused and dedicated worker whose expertise includes:

- Master of Engineering in Mining Engineering (MEng)
- Conflict Resolution Training
- 14 years working experience at the Green Water Mine site
- A positive and flexible attitude and the ability to work well independently and in group settings

My knowledge and experience in the mining industry, has given me skills I am confident would be useful to your company. I welcome the opportunity to discuss my qualifications further, and look forward to hearing from you soon.

Sincerely,

Alexander Newton, MEng

Alexander Newton

Mining Engineer
